

Application No. 10/849,976

Remarks

The Office Action mailed December 28, 2005 stated that the application is in condition for allowance except for formal matters, and that prosecution as to the merits is closed.

The application serial numbers that were not available at the time the application was filed have been inserted into the text.

Claim 4 has been amended as instructed in the Office Action.

A new Information Disclosure Statement accompanies this response, listing the concurrently filed applications with serial numbers, which serial numbers were not known at the time of filing the present application and its accompanying Information Disclosure Statement.

With respect to the document identified as "The Write Stuff," the Office Action objected to the lack of information about the month of the document. However, applicants have no information concerning the month of the document, and are therefore unable to provide such information.

Applicants submit that the application is now in condition for allowance, and therefore respectfully request a Notice of Allowance.

No additional fee is believed to be required for this amendment. However, the undersigned Xerox Corporation attorney (or agent) hereby authorizes the charging of any necessary fees, other than the issue fee, to Xerox Corporation Deposit Account No. 24-0025. This also constitutes a request for any needed extension of time and authorization to charge all fees therefor to Xerox Corporation Deposit Account No. 24-0025.
